"I've been a member for 49 years now and I've always enjoyed the relaxed and informal way we approach the game. Visitors rave about the course - its situation and excellent condition and how it reminds them of golf as it used to be."

Ian Ramsay, 74

"The low cost of membership really encouraged me to join two years ago, and the girls have been so friendly and welcoming. We have a real laugh at times and I'd encourage anyone to take up the game - stay fit and have fun at the same time"
